

Notes & Reminders

St. Louis Catholic School

January 25, 2012

The mission of St. Louis Catholic School is to prepare the leaders of tomorrow with the light of Christ as their guide.

Iowa Achievement Testing

Iowa Achievement Testing will be administered to all students in grades 1 ~ 8 beginning the week of February 6th. Please avoid making doctor or dental appointments before 1:00 pm in order to minimize make-up testing. 100% attendance is our goal!

Three important things to remember during test week, and starting the week before if possible: Get plenty of rest, eat a good breakfast, and have a handy supply of #2 sharpened pencils for testing.

Registration Update ~ Pardon Our Delay

Re-registration packets are scheduled to come home this Friday, January 27th . Please check your youngest child's backpack!

Our registration paperwork "construction" is almost complete! We thank you for your patience as we upgrade our process.
